Season Tickets for Our Forthcoming Redpath Chautauqua

In arranging to inaugurate this chautauqua this year the local committee bought 1,000 \$2.50 season tickets, which will be sold, while they last, by them for \$2.00 each.

When these tickets are exhausted no season tickets thereafter can be had for less than \$2.50. Also, the price of season tickets will not be reduced from the first day to the close of the chautauqua.

The single admissions to the different sessions of this chautauqua aggregate more than \$6.00, so it will pay you to buy a season ticket even after the program is half completed. For the single admissions to the respective entertainments see program. Season tickets are non-transferable except within the owner's family.

CHILDREN'S TICKETS admit children aged six to fourteen years inclusive. All children are admitted to the children's work free.

Flower Day Program in Connection With Trade Day Will Bring New Visitors

Every plan has been finally completed for the holding of Flower Day in Anderson next Tuesday in connection with the Trade Day, a monthly event staged by the Anderson Chamber of Commerce...

Commerce and industry are admitted by all who see it.

This is the first time that such an event has been attempted in Anderson and the fact of both the city and the county should know their appreciation of the effort to meet Sunday.

Another pleasant feature of the day will be the picnic dinner at the Chamber of Commerce. An institution has been organized for the benefit of the county to bring many business with them and there will be plenty of room provided at the Chamber of Commerce for the hotel to be opened and the entire party will enjoy this part of the day as much as they will the dinner and the interesting afternoon.

The success of the day should be gratifying to all who see it.

They should manifest their appreciation by attending and by bringing as many of their relatives as possible.
